Tape'n Lock

TAPE-IN EXTENSION SYSTEM
100% Human Remy Hair

PACKAGE OF 10 STRANDS
TROUSSE DE 10 RALLONGES

COLOURS

Our new Hair Affair - Tape'nLock Extensions are the smallest tape extension on the Canadian market. Made from superior Remy hair, this unique tape bond measures in at just 0.7cm x 1cm x .08 mm. Suitable for all hair types, the extension is designed with a M shaped tape edge to reduce tension on the wearers' hair and allow the hair to wash, wear and breathe better.

The Tape'nLock M-tape style extension provides length, fullness and is suitable for both a full head of extensions or for side additions where the hair is finest. Install roughly takes 45 – 60 minutes and the product is available in 19 shades! Can be seamlessly integrated with the Hair Affair Dual Tape system.

Stylist Benefits:

- High quality 100% Remy Hair
- Long-lasting medical grade adhesive
- No expensive application tools required
- Quick installation and removal (compared to traditional methods)
- Quick and easy re-taping process
- Valuable salon service - Increase Salon/Stylists profits

Client Benefits:

- High quality 100% Remy Hair
- Lasts up to 8 weeks or more
- Reusable
- Quick installation and removal (compared to traditional methods)
- No damage to natural hair
- Easy to style
- Saves precious customer time and money

TAPE-IN EXTENSION SYSTEM
100% Human Remy Hair

STEP-BY-STEP Installation

- 1 Separate a very small section of hair.

- 2 Unfold tape tab exposing protective backing.

- 3 Peel and remove protective backing from the tape.

- 4 Place small section of hair on right section of exposed tape approximately 1/2 to 1 cm from the scalp holding hair firmly in place.

- 5 Fold left side of exposed tape over to close attachment.

- 6 Gently rub to secure the adhesion. /

Note : Always wash hair thoroughly with a professional clarifying shampoo and dry completely prior to installation of extensions. In order to adhere properly, the two sections of tape must adhere tightly to one another when folded over. Only a very small amount of hair is needed to support the extension.
