THE "BUN MAKER" OFFERS MULTIPLE STYLING OPTIONS.

The Hair Affair Bun Maker comes in two sizes for two different effects. The Bun Maker is comfortable and easy to use and will stay in place all day. It's so easy to create a bun – just follow the simple instructions below!

BEFORE

1. Create a ponytail – it can be placed high on the head or lower depending on the styling. Place end of ponytail into the centre of the opening in the Bun Maker, then pinch the hair securely in place to prevent slipping.

2. Roll the hair upwards around the Bun Maker

3. When you reach the base of the ponytail, bring the ends of the Bun Maker down and around and secure the Bun Maker by twisting the ends to make a circle.

4. Spread the hair around the Bun Maker to create a perfect bun

5. Secure with pins as needed

Your Bun is ready to go!
